

Dear Dr Horobin,

I would like to thank you for providing me with the best wedding gift I could have ever imagined, a perfect smile!

My smile gave me the opportunity to truly express my level of excitement and happiness throughout every moment of a truly magical day!

My wedding pictures are perfect and I can't thank you and your team enough. My orthodontic treatment is by far the best investment I have ever made. It's strange to think I spent the same amount of money on my flowers and wedding cake, yet such purchases lasted only a day or so, however, my perfect smile will be with me forever!

I remember considering my options, veneers or braces? Veneers seemed a quick fix at the time, but looking back I can see that I would have been destroying my perfectly healthy teeth, with further maintenance to come in forthcoming years.

I am so pleased I opted for braces, despite my concerns of working in a client facing industry. At the time, I thought I would lose vast amounts of business because of my brace, but, in fact it actually was a topic for conversation! The brace you provided me with was very aesthetically pleasing and hardly noticeable, so for anyone considering orthodontic treatment there really is nothing to be concerned about.

"You have nothing to loose, but everything to gain!"

My treatment took 12 months and although my teeth were not complete prior to my big day, you kindly removed the brace and no one knew that I hadn't finished my treatment.

Dr Jackson applied those finishing touches, with your tooth whitening procedure and I could not have been happier with the level of service you all provided from start to finish and the magnificent results!

I would recommend your services to any adult considering orthodontic treatment.

Thank you for my perfect smile!

Hannah
